REQUEST FOR CORRECTION OF
CORRESPONDENCE ADDRESS

Sir:

It has come to counsel's attention that the above-identified application was assigned to the incorrect Customer Number either because a *Change of Correspondence Address* was filed inadvertently listing the above-identified patent application number, or because of a clerical error at the USPTO.

Applicants herewith submit a copy of the signed declaration including the cover sheet obtained from the Image File Wrapper, the first two pages bearing the stamp of receipt in the PTO. Counsel herewith confirms that no correspondence address change was requested by counsel's client and respectfully requests that the correspondence address be changed to the address associated with Customer Number 24131, as shown on the enclosed declaration.

Respectfully submitted,

Laurence A. Greenberg (29,308)
